

RESOLUTION No. 4-

Whereas: One of the functions of the Volcano Community Services District is to provide for public recreation within the boundaries of the District; and,

Whereas: The Directors have acquired title to Armory Hall, the Soldier's Gulch Park, and the public restrooms with the intent of maintaining and operating them with the purpose of augmenting public recreation; and,

Whereas: The Directors acquired the properties known as the Protestant Cemetery for the purpose of maintaining the site as a public park and historical site for the benefit of the general public.

Now, therefore, be it resolved that it is the intent and policy of the Volcano Community Services District to own, maintain, and operate the property known as the "cemetery" as a public park. It is not the intent of the District to own or operate an active cemetery, and that no person or group shall act on behalf of the District in any manner concerning the maintenance and operation of the park without the express consent and direction of the Directors of the District.
