

RESOLUTION NO. 2004-0 4
VOLCANO COMMUNITY SERVICES DISTRICT

WHEREAS, the Volcano Community Association did hold a town meeting to ask residents about their vision for the township of Volcano;

WHEREAS, a list was compiled of the things the residents would like to see changed;

WHEREAS, the top two items for change were speeding and improving walkways;

WHEREAS, out of a total of 16 items, 8 items were concerned with traffic issues;

WHEREAS, a traffic committee was formed to address these concerns and are creating a plan to incrementally improve or ameliorate these concerns;

WHEREAS, their first step is to create signage to inform all visitors and residents that Volcano is a pedestrian-friendly village which encourages walking and biking as promoted activities.

NOW, THEREFORE, BE IT RESOLVED by the Volcano Community Services District that Volcano Township is a designated pedestrian-friendly zone for the promotion of non-automated modes of transportation.

BE IT FURTHER RESOLVED by the Volcano Community Services District to support improvements in traffic safety and non-automated modes of transportation to the betterment of our village, comfort, and enjoyment of visitors and residents alike.

RESOLVED this twelfth day of July, 2004.
